

Press release, Subcontracting Trade Fair 2019

## Skilled personnel are the key to success

We provide flexible online solutions for managing and developing competencies.

**Priima LMS** is an agile service that is quick and easy to deploy. Thanks to its straightforward user interface, building online trainings is effortless. Different visual elements make monitoring and supporting the learning process smooth.

**Totara Learn LMS** is a versatile solution to even demanding training needs. It offers e.g. comprehensive reporting capabilities, targeted training programs, automated certifications as well as the possibility to create learning plans. E-learning and the management of face-to-face trainings happen easily on the same platform.

Discendum Ltd is a well-known and respected provider of e-learning services. Understanding the customer's needs and supporting the customer to make the most of the service is at the heart of our business.

**Welcome to our stand D10 to say hi and learn more about our services!**
